## Patient Preparation Instructions

### ABDOMEN ULTRASOUND:

Patients are required to fast for a minimum of 6-8 hours.

Please do not smoke, consume dairy or chew gum during fasting. You may drink fluids such as water, black tea or black coffee only.

### MRI:

Patients are required to remove all jewellery including piercings prior to the examination and ideally should leave jewellery at home.

### PELVIC ULTRASOUND:

Patients are required to have a full bladder, and must finish drinking 1 litre of water 1 hour prior to their appointment time and hold (do not go to the toilet).

### RENAL (KUB) ULTRASOUND:

Patients are required to fast for a minimum of 6-8 hours.

Please do not smoke, consume dairy or chew gum during fasting. Patients ALSO require a full bladder, and must finish drinking 1 litre of water 1 hour prior to their appointment and hold (do not go to the toilet). You may drink fluids such as water, black tea or black coffee only.
